

Use Our Networking Power to Buy or Sell the Perfect Home

It's all about access to information. And Edina Realty has the advantage. Network One, an inter-company networking system, connects more than 3,100 Edina Realty REALTORS® and their 20,500 homebuyers annually. It allows an agent to communicate

virtually at the speed of thought to match buyers with sellers. Here's how it works.

When you meet with an Edina Realty REALTOR® for the first time, your buying needs are entered into our unique Network One system and are made accessible immediately to all Edina Realty agents. This allows our REALTORS® to proactively match buyers and sellers based on their specific property criteria.

Discover today how Network One can work for you. Whether you're buying or selling, you'll win with this exclusive Edina Realty networking tool.
